Police

SCPD Welcomes Two Officers to Our Ranks: Strides in Recruiting Make a Dent in Staffing Reality

This week, Chief Mills swore in Officer Tien Nguyen and Officer David Deady. These men took an oath to serve and protect our city in a small group badge pinning ceremony for their families.

Coming from Oakland, CA, Officer Nguyen, who just graduated from Police Academy yesterday, embarks on a career in public safety with SCPD.

Swearing in for the second time at SCPD, Officer Deady returns after service in Southern California.

"It is always an honor to welcome new officers to our agency and thank them for choosing our community in which to serve," said Chief Andy Mills.

Please join us in welcoming Officer Tien Nguyen and Officer David Deady to the Santa Cruz PD!

STAFFING | Currently, 80 sworn positions are filled at SCPD. Optimal staffing for the department should be 101 full-time law enforcement officers. Increased police staffing helps prevent crime: each additional officer reduces crime by 1.3 violent crimes and 4.2 property crimes per year.

DUTIES ABOVE & BEYOND | There are many demands made on SCPD to be the community's problem solvers beyond law enforcement. Officers spend their time responding to pressing crises of overdoses, homelessness, and mental health, to name a few. Police staffing is a vital public safety component in addressing the catch-all societal issues when social services fail.

RECRUITING | SCPD looks for law enforcement applicants with the right blend of skill sets, such as level-headedness, superior communication abilities, and internal drive to public service.

HIRING | SCPD is an equal opportunity employer committed to building an inclusive and diverse team. **APPLY TODAY WWW.JOINSANTACRUZPD.COM PROTECT TOMORROW**

Santa Cruz Public Libraries

Summer Reading Program

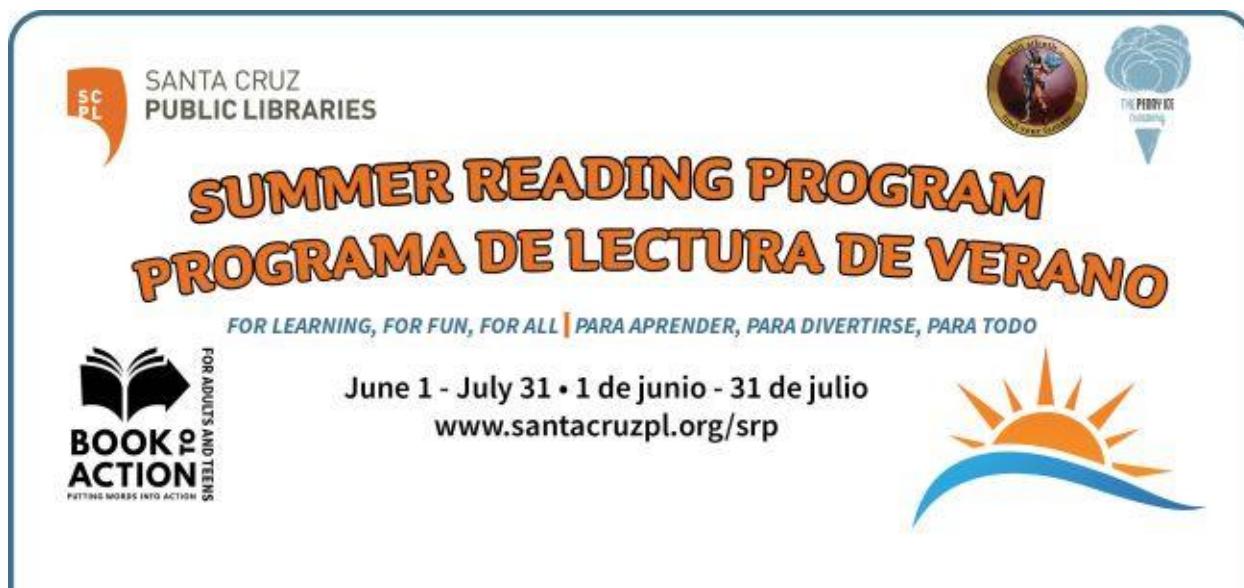

The Santa Cruz Public Libraries' (SCPL) Summer Reading Program begins June 1st and runs through July 31st. Studies show that reading over the summer can significantly reduce Summer Slide - a term for the learning loss experienced over the summer. That's why summer reading is such an important program for kids. Kids, teens, and adults track their reading, complete activities, and earn raffle entries and prizes. All ages are invited to register at santacruzpl.org/srp or by calling 831-427-7713.

To sign up, visit santacruzpl.org/srp or pick up a paper Reading Log at any open SCPL Branch. Those without internet access may call 831-427-7713 or text 831-264-0647 to be entered into the program. Signups begin June 1st and participants have until July 31st to sign out of the program and receive their rewards. Participants of all ages are encouraged to read books of their own choosing, listen to audio books, or be read to.

We will continue to use the Beanstack online platform for families and individuals to track their reading over the summer. The platform allows readers to add reviews and claim rewards and includes a mobile app. Paper reading logs are available to those who prefer to track their reading that way.

We have planned a wide range of interactive live and recorded programs, starting with our kickoff event at 11 a.m. on May 26th via Zoom. Participants will meet Delrita the elephant and learn about these amazing creatures. A video program about Delrita will be available on our YouTube page for one week after the virtual program. Other events include STEAM projects, magic shows, circus acts, NorCal Bats, musical performances, and more. In addition to our many interesting virtual programs, SCPL will hold three in-person outdoor events. Check our calendar at santacruzpl.org/calendar or visit our Summer Reading Webpage at santacruzpl.org/srp after June 1st for information and registration links.

The Santa Cruz Public Libraries' Summer Reading Program is made possible through our partnership with Atlantis Fantasyworld, the Penny Ice Creamery, and the Friends of the Santa Cruz Public Libraries.

The flyer is for the Summer Reading Program, featuring the SCPL logo, the text "SUMMER READING PROGRAM" and "PROGRAMA DE LECTURA DE VERANO" in large orange letters, and "FOR LEARNING, FOR FUN, FOR ALL | PARA APRENDER, PARA DIVERTIRSE, PARA TODO". It includes the dates "June 1 - July 31 • 1 de junio - 31 de julio" and the website "www.santacruzpl.org/srp". Logos for Book Action, The Penny Ice Creamery, and the Friends of the Santa Cruz Public Libraries are also present.

Public Works

National Public Works Week

Mayor Donna Meyers proclaimed May 16-22 as National Public Works Week encouraging recognition of the contributions that public works professionals make in protecting health, safety and quality of life! The community was invited to celebrate this year's national ["Stronger Together"](#) theme by entering our [Public Works Selfie Contest](#) with \$1500 in prizes that benefit downtown retailers and help local spending. Below is a submission from a familiar face with thumb's up for our new bike lockers!

Traffic Engineering

According to our latest Traffic Safety Report, well over 75% of crashes in Santa Cruz occur at intersections. Our newest Street Smart video features Off the Lip Radio host Neil Pearlberg with tips to help keep you alert and safe at intersections in [English](#) and [Spanish](#).

Engineering

The Pure Water Soquel Project construction is scheduled to begin Monday, May 24, in Santa Cruz. This Soquel Creek Water District installation of two pipelines will occur weekdays 7 a.m. – 4 p.m. as follows:

- California Street from the Wastewater Treatment Facility to Laurel Street: May 24 – June 15
- Laurel Street from California to Chestnut: June 16 – July 5
- Laurel Street from Chestnut to the west end of the Laurel Street Bridge: July 6 – August 12.

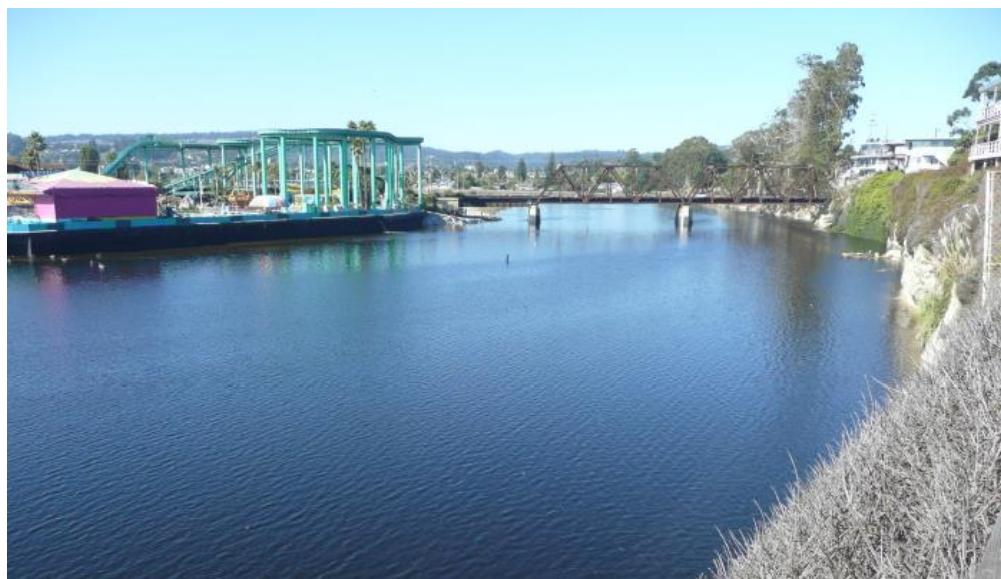

More info: <https://loom.ly/fJcUeFQ>

San Lorenzo River Working Group

Below are the latest updates on our work to preserve and protect the San Lorenzo River:

- During the first quarter of 2021, the City worked with community groups and volunteers to remove 6,340 pounds of trash along the River.
- The City plans to implement a grant funded project at the rivermouth in 2022 that will reduce nuisance flooding in adjacent neighborhoods as well as protect and enhance the lagoon habitat.
- After over 20 years in development, the City's Multi-Species Habitat Conservation Plan was permitted by US Fish and Wildlife.
- Mayor Donna Meyers and Sustainability + Climate Action Manager Tiffany Wise-West gave talks as a part of the San Lorenzo River State of the River symposium on April 17, 2021. The presentations can be accessed at this [link](#).

Parks & Recreation

Community Gardens Springing Back into Action

After a wildly abnormal year, the Parks & Recreation Department has been making a concerted push this spring to get our community gardens in good shape for existing and new gardeners. The City's five community gardens, which together offer 115 plots, are filling quickly with just a few spots remaining at our Poet's Park and Riverside Garden locations. Community gardens offer a wide range of benefits beyond providing families the ability to produce nutritious food. They are also a catalyst for neighborhood and community development, stimulate social interaction, and create opportunities for recreation, exercise and education.

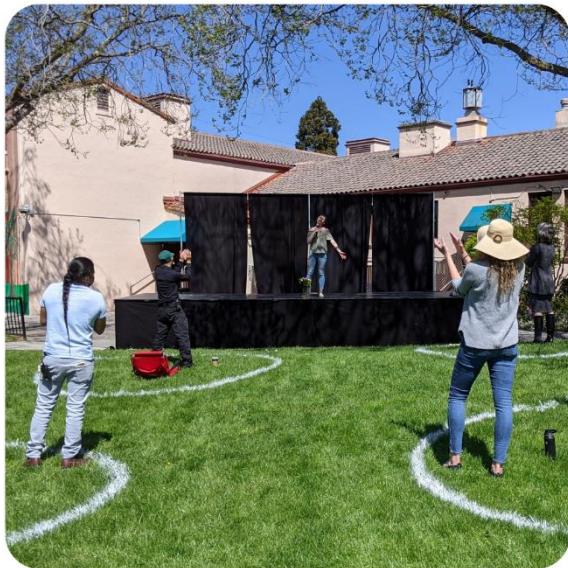

This is what healthy, active living looks like in action!

Laurel Park comes alive with Outdoor Theater this summer

Be sure to join us at the Outdoor Theater in Laurel Park this summer for a variety of theater performances and special events! We are all booked up from June through mid-August with the following events:

- June 19 - Juneteenth Celebration, food vendors, live streamed performances, activities
- June 26 – All About Theater – *Descendants the Musical*
- July 10 & 11 - the Parks & Recreation improv class - *En Plein Air*
- July 24 – Parks & Rec – *July Is... Day in the Park*
- July 31 – All About Theater – *Moana Jr.*
- Aug 7 & 8 – All About Theater – *Legally Blonde Jr.*
- Aug 14, 21 & 28 – DNA Comedy Showcase

Redwood Picnic Area

The new Redwood Picnic Area, located in Harvey West Park, will be ready and available for reservations beginning on May 28, 2021.

This new picnic area will accommodate 70 people comfortably and has Power and a sink. This is the replacement for the old "Oak" Picnic area that had the old Oak Tree fail last year.

Many thanks to the Staff of the Community Parks who worked so hard to get this project to perfection!

Planning & Community Development

The City of Santa Cruz is seeking your input on how Santa Cruz should look and feel. Please spend 12 minutes on the survey below and you will be entered into a raffle for the chance to win one of two \$50 gift cards to New Leaf Community Markets! Responses are due by **June 1, 2021**.

Survey in English: <https://www.surveymonkey.com/r/DefineSC>

Survey in Spanish: <https://www.surveymonkey.com/r/EstandaresObjetivos>

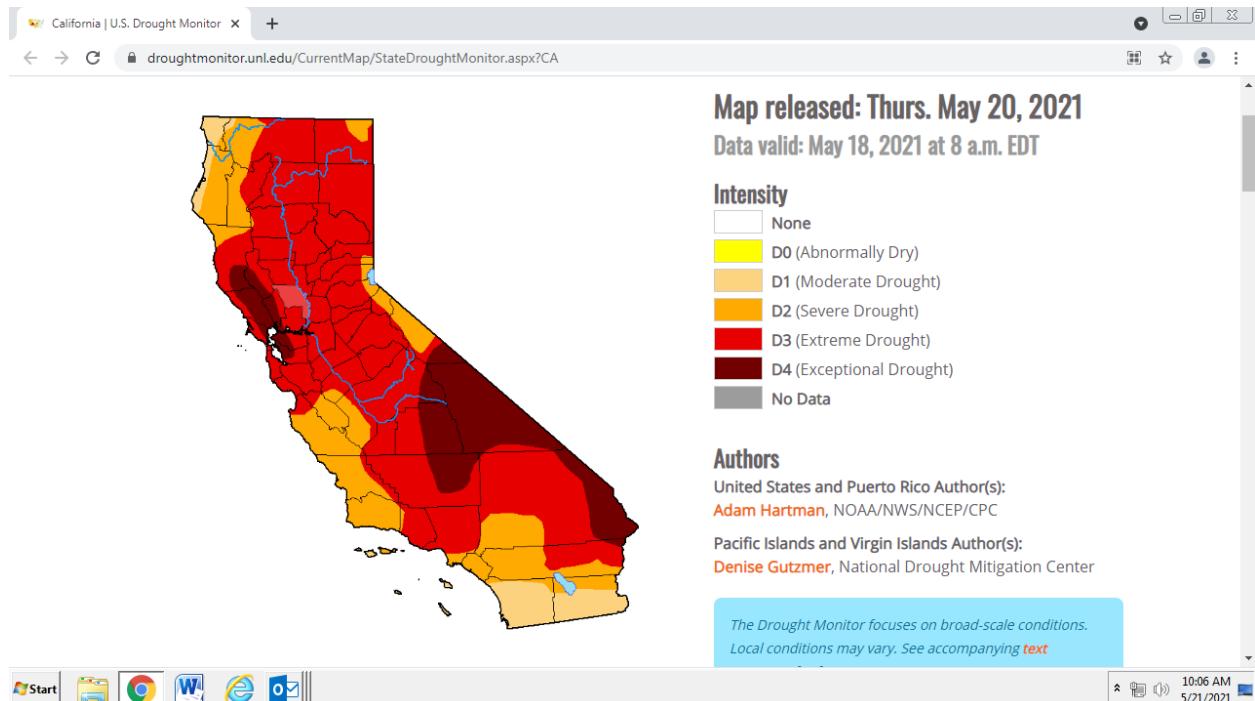

Responses to this survey will help City staff create objective standards for multi-family development. New standards for housing development will be incorporated into the City's Zoning Ordinance and will seek to provide more certainty in the development process for neighbors, developers, City staff, and decision makers.

For more background on the Multi-family Objective Standards Project, please visit: www.cityofsantacruz.com/obj

Water

The new drought map for California came out Thursday, which shows that much of the Bay Area has now moved into “exceptional drought.” Santa Cruz County is in “extreme drought”, along with much of the state. In an [article this week](#) in Lookout Local, Sierra Ryan (the county’s interim water resources manager, and co-chair of the city’s water commission) is quoted as saying “This isn’t just the drought, it’s climate change...this is the new way things are going to be”, which is a message that we’ve also been conveying the past few years.

Fortunately, Santa Cruz remains one of the lowest water-using cities in the state, with an average monthly use of just 6 units of water per single-family household (a unit of water = 748 gallons), making the transition to the allotment of 5 units under stage 1 restrictions much less painful than it could be. We’re still receiving questions and concerns from customers about how they can cut their use back further, however this time around (vs the last time we had to implement water restrictions/rationing,) we can point customers to our new [Water Smart](#) program, where they can monitor their use and learn when and how to stay within their allotments.

Related to drought, this week we led a couple of good fire safety tours of our properties. We identified some small/immediate needs, as well as some bigger long-term goals to work toward to make the properties more fire safe, and also to continue to build relationships with our local fire agencies. We’re also working to get organized around fire safety improvements needed at key production facilities.

Fire and Water Department staff on a tour of WD properties this week

Homelessness Response

San Lorenzo Park

Staff continued to collaborate across departments to manage the camp situated in the Benchlands area of San Lorenzo Park. Staff are struggling with a few bad actors in the camp who have chosen not to abide by camp rules, including engaging in illegal activity. On Wednesday, the Neighborhood Policing Team immediately responded to a tip from the community regarding a wanted felon camping in the Benchlands area of San Lorenzo Park. Officers identified Richeed Whitehead, who has many law enforcement contacts dating back to the 90s. In Mr. Whitehead's possession were a 16.5-gram chunk of heroin and a small amount of methamphetamine. Richeed Whitehead was out on his "own recognizance" under probation supervision when Officers took him into custody yesterday. However, Mr. Whitehead's arrest for narcotics sent him directly to jail under a mandatory warrant. City staff also coordinated flatbed trucks to help individuals from the Friendship Gardens area of Harvey West move to a section south of the pedestrian bridge in the Benchlands. Portable toilets and hygiene stations were also delivered for these campers.

Camping Services and Standards Ordinance

The City released the [Request for Qualifications](#) this week and held a webinar for the public and potential bidders on the City's current homelessness response investments and aspirations for the results of the RFQ. Proposals are due by June 7, 2021 at 5 p.m.

The City's homelessness website, cityofsantacruz.com/homelessness, has been updated with information about the ordinance, the RFQ and two ways for the public can provide comment — via the website or by emailing citycouncil@cityofsantacruz.com.

ENCUENTRE LA LISTA COMPLETA DE ORIENTACIÓN Y OPERACIONES DE LA INDUSTRIA EN:

Covid19.Ca.Gov/Safer-Economy

Producido y distribuido por el consejo de recuperación económica del condado de Santa Cruz

Based on low case counts and test positivity rates, Santa Cruz County has moved into the Yellow Tier under the State's Blueprint for a Safer Economy effective Wednesday, May 19.

Under the Yellow Tier, bars may open indoors at 25 percent capacity, or 50 percent if customers show proof of a vaccination or negative test. Indoor music venues may increase to 50 percent capacity with proof of vaccination or negative test. Outdoor performance venues, including music, sporting events and theater, may increase to two-thirds capacity. Saunas and steam rooms may open at 50 percent capacity. Family entertainment centers (bowling alleys, arcades, etc) may increase to 50 percent, or 75 percent with proof of vaccination or a negative test. Gyms may increase to 50 percent capacity, while amusement parks may increase to 35 percent. [View the full list of operations allowed under the tiers here.](#)

California today, Friday, May 21 announced the details of the state's full reopening plan. Beginning June 15, 2021, businesses will be able to return to usual operations with limited exceptions for mega events. The updated framework clarifies that physical distancing and capacity limitations will no longer be required for most businesses. [Read more here.](#)

While vaccinated persons no longer are required to wear masks in most outdoor settings, all residents are required to continue wearing face coverings in indoor settings until June 15. The latest California Department of Public Health guidance on face coverings is [available here](#).

DOWNTOWN POPS! Program Tenant Applications Available Now

The City of Santa Cruz is pleased to release the request for proposals (RFP) for prospective tenants for the Downtown Pops! program. [The RFP document can be found here](#). Please read the document fully before beginning your application.
